Tom Basher honored by our club as a Paul Harris Fellow

Presented by DG Nominee George Camp of Ossining and JoAnne Murray and Pres. Jack Jolly

The Interact Club at SHHS has been very active visiting Kendal seniors for tea socials. They are planning to help out with Duck adoptions and Race Day. Their project for March is writing postcards to wounded soldiers at Walter Reed Hospital. Kudos to their display of "Service above self"

Remember the Paul Harris Luncheon on March 28 at The Crowne Plaza in White Plains to those who have signed up for the event...don't forget to make the check for \$40 payable to Tarrytown Rotary.
